Rahway Democrats are building a new economic future for our city under the leadership of Mayor Jim Kennedy.

But Mayor Kennedy cannot do the job alone. He needs support from the City Council and that's why you should elect Samson Steinman.

As part of the Kennedy team, Steinman is achieving the kind of growth & progress that pushed Rahway's employed population over 14,000. As a planning board member, Steinman voted to permit many of the developments you see going up today.

Our current councilwoman wants to stop Mayor Kennedy from rebuilding Rahway, so we need Samson Steinman on the City Council right away!
