**Dan Reiman attended dozens of meetings with Turnpike officials. He spoke out and worked with state officials to get commitments for faster remedies to this problem and more action.**

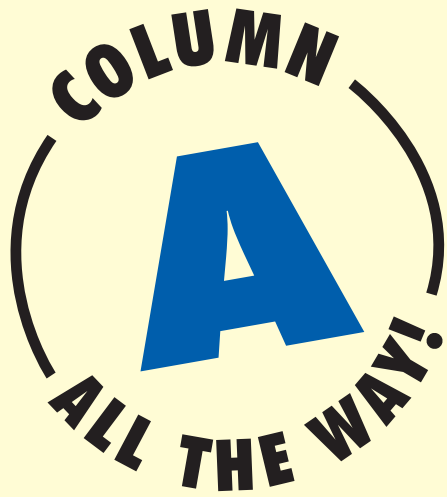

Along with other members of the Borough Council, Dan Reiman secured assistance from state officials... but getting the job done means staying on top of new developments every day.

Here are some of Dan Reiman's accomplishments aimed at making our roads safer and making your life a little easier:

- Dan Reiman got county officials to resurface dozens of local streets – a \$1.2 million savings for Carteret taxpayers
- Councilman Dan Reiman got funding from state & federal sources to improve our local roadways, making even better use of the county workforce doing the job
- Councilman Dan Reiman and Sen. Joe Vitale met with state Community Affairs Commissioner Susan Bass Levin shortly after she was appointed to bring her up to date on the dire need for progress at Exit 12
- Councilman Dan Reiman brought the state Commissioner of Transportation, the Executive Director of the NJ Turnpike Authority and the Assembly Transportation Committee Chairman to Exit 12 to see what Carteret residents endure

**We have a great chance to elect a leader with vision, energy and experience!**

**As mayor, Dan Reiman will put Carteret back on the road to real progress!**
