FIVE DEPUTY FIRE CHIEFS ARE TAKING YOU FOR A RIDE

**HILLSIDE'S FIVE DEPUTY
FIRE CHIEFS PLAY POLITICS
AT TAXPAYERS EXPENSE**

**JERRY JEWELL VOTED TO
GIVE 16% PAY HIKES TO
ALL DEPARTMENT HEADS**

**ONLY JOE MENZA HAS A
PLAN FOR PUBLIC SAFETY
THAT PROTECTS PEOPLE
& ELIMINATES POLITICS**

We're losing jobs faster than any other New Jersey community and the township is nearly bankrupt, but Hillside also has urgent public safety problems.

Hillside has more deputy fire chiefs than Elizabeth, but **none of them live in town.** Our Fire Department has one supervisor for every two firefighters and they get **three days off for every one day of work.**

Our local police chief is paid \$30,000 more than the commander of the New Jersey State Police, but rising crime endangers our citizens. **Tax dollars are not being spent wisely when it comes to public safety.**

On the council, **Jewell supports these wasteful practices.** Instead of protecting people's lives, Jewell's political boss has encouraged the five overpaid, out-of-town deputy fire chiefs to spread falsehoods about the June 9 election for mayor. **Don't believe the lies.**

Joe Menza knows public safety should be our first priority and he is the only candidate with a plan to make your family safe.
