One year ago, I asked you to help me change Perth Amboy and you did. As President Obama said, "This victory was not the change we seek; it is only the chance for us to make that change." Now, we can make another choice for change.

I do not like telling people how to vote in Board of Education elections because I want to **keep politics out of our public schools** -- but let me share with you some very compelling reasons why **I am voting for Obi Gonzalez, Ken Puccio and Samuel Lebreault.**

I have known Obdulia (Obi) Gonzalez since I was a child. During her 34 years working as a Guidance Counselor at Perth Amboy High School, she mentored and inspired thousands of Perth Amboy students. **When I was a student, I personally witnessed her dedication, professionalism, and most of all, her commitment to help the children of this community.** These are but some of the attributes that make her such an outstanding candidate to serve on our Board of Education, and to represent the interests of our children and our parents.

Ken Puccio has served for three decades as a Perth Amboy police officer and for the past 19 years has **guided and protected our children** through his leadership of the DARE Program. He also serves as the Perth Amboy Police Department's juvenile affairs officer. Ken has worked closely with the schools and community to keep our children safe and he can provide valuable insight.

Samuel Lebreault is an outstanding role model for our children and community. Although raised in a single parent home, **he graduated as Valedictorian** of his high school class and went on to graduate from the New Jersey Institute of Technology. He is employed as a civil engineer with the New York City MTA, but he is engaged in many Perth Amboy civic and religious organizations. Samuel has volunteered long years and countless hours working with children as a **teacher, coach and mentor.**

Gonzalez, Puccio and Lebreault are parents. We can trust them. **Perth Amboy deserves excellent schools** for our children run by responsible **guardians of our tax dollars.** By **voting for Gonzalez, Puccio and Lebreault,** you will help taxpayers save money and give children a better education!

Let's continue working together to change our city.

Sincerely yours,

Wilda
